

LIBRARY TECHNOLOGY SURVEY

Help us plan for Technology at the New Library by answering a few questions.

1. The Library has Microsoft Word, Excel, PowerPoint and Publisher publicly available, are there any other software programs you would like to have in the library?
2. What type of computer training would like to see offered at the library?
(E-mail, databases, Internet?)
3. Currently we have General Databases (Full Text Articles, Encyclopedia Britannica, News, Business, Science, Biography, and others) Have you used them?
4. Are there other technologies, programs or software you would like to see at the library for public use?

Please return your answers to the Albert Wisner Public Library. If you have any questions, please contact Bob Dorn at 845-986-1047 x 3 or e-mail: rdorn@rcls.org.
