To the Board of Trustees  
Albert Wisner Public Library Foundation, Inc.  
Warwick, New York

We have reviewed the accompanying statement of assets, liabilities and net assets-cash basis of Albert Wisner Public Library Foundation, Inc. (a non-profit organization) as of December 31, 2010, and the related statements of support, revenue and expenses-cash basis and net assets-cash basis for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the Organizations management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statement as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with the cash basis of accounting, as described in Note 1.

WARWICK, NEW YORK  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2010

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES.

This summary of significant accounting policies of Albert Wisner Public Library Foundation, Inc. (the "Foundation") is presented to assist in understanding the Foundation's financial statements. The financial statements and notes are representations of the Foundation's management, which is responsible for their integrity and objectivity. Except for use of the cash basis of accounting as discussed below, these accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Nature of Activities

The purpose of the Foundation is to provide supplemental financial support to the Albert Wisner Public Library, a taxpayer funded school district public library, thereby enhancing opportunities for the library's continued growth and service to the community.

Basis of Accounting

The Foundation's policy is to prepare its financial statements on the cash basis of accounting. Under that basis, revenues are recognized when received rather than when earned, and expenditures are recognized when paid rather than when incurred.

Cash and Cash Equivalents

Cash and cash equivalents consist of monies held in checking, savings and broker/dealer money market accounts.

Income Taxes

The Foundation is exempt from federal and state income taxes under Section 501(c) (3) of the Internal Revenue Code.

Estimates

The preparation of financial statements in conformity with the cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

NOTE 2. INVESTMENT OF CASH RESOURCES

The Foundation invests its cash resources with a view toward achieving preservation of capital while maintaining adequate liquidity for its operations. It seeks to realize a market rate of return consistent with these policies. Funds are held in FDIC insured deposit accounts and a money market fund that invests solely in short term United States Treasury bills.

See accountant's review report.

NOTE 3. INVESTMENT OF LONG TERM ASSETS

The Foundation invests its long-term assets with a view toward maintaining the purchasing power of these assets despite inflation and providing a cash return to support its operations. These assets consist of United States Treasury Inflation Protection Securities ("TIPS") and United States Treasury Notes in approximately equal amounts. TIPS provide explicit protection against inflation. The principal of TIPS increases with inflation and decreases with deflation, as measured by the Consumer Price Index. At maturity, TIPS pay the adjusted principal or original principal, whichever is greater. TIPS pay interest at a fixed rate twice a year, applied to the adjusted principal. Thus, interest payments rise with inflation and fall with deflation. Treasury 10-year notes have a stable principal amount, and thus will lose purchasing power if there is inflation over the life of the issue; they enjoy a higher interest rate to compensate for the lack of inflation protection. The foundation carries these assets on its books at fair market value. Unrealized gains are reported as revenue.

<u>Description of Issue</u>	<u>Purchase Price</u>	<u>Original Principal Amount</u>	<u>Market Value at Balance Sheet Date</u>
1.375% TIPS dtd 1/15/10 due 1/15/20	\$ 4,151	\$ 4,200	\$ 4,416
3.625% Note dtd 2/15/10 due 2/15/20	<u>4,177</u>	<u>4,200</u>	<u>4,361</u>
Total	<u>\$ 8,328</u>	<u>\$ 8,400</u>	<u>8,777</u>

NOTE 4. FUNDRAISING ACTIVITIES

During 2010, fundraising income was \$137,172, of which \$49,795 was raised by the Annual Appeals and \$86,575 by the Capital Campaign. Since inception, the Capital Campaign has raised \$309,700.

NOTE 5. FOUNDATION EXPENSES

Capital campaign fundraising expense of \$197 was incurred to promote the historic tile wall project. General fundraising expense of \$6533 consisted principally of costs incurred for printing and postage to promote the 2009/10 and 2010/11 Annual Appeals. Insurance expense of \$1542 covered the cost of general liability coverage, directors' and officers' liability coverage and a dishonesty bond. Office expense of \$459 consisted principally of the cost of stationery and postage. Professional fees of \$1500 were incurred for preparation of the Foundation's "review level" 2009 financial statements and required annual reports to the Internal Revenue Service and New York State Attorney General's Office. Program expense consisted of \$2,000 for the foundation's scholarship program; \$1,884 for library programs; \$36,950 for new building items; and \$17,007 for library operating support.

See accountant's review report.
