

Did you know?

- The Library hosts the Warwick Children's Book Festival every year. Last year, over 35 teens volunteered *hundreds* of hours over the summer and on the day of the festival to help make it a huge success!
- Books on the Warwick Valley High School reading list are available year round in the YA Area on their own shelf. We hold several copies of each title.
- You might already receive our library's e-newsletter, but did you know we have a separate e-newsletter for teens? If you'd like to stay in touch with teen happenings at the library, sign up by emailing me at daimone@rcls.org.

Teen Volunteers at AWPL

Volunteering at AWPL

We have a thriving volunteer program at the Library to accommodate a variety of interests and skills.

Below is a sampling of our regular volunteer programs, but stop in and see Dianne if there are other ways you would like to volunteer.

Teen Advisory Board

Members meet monthly during the school year to suggest, discuss, and help plan our teen programs at the library. TAB is a great place to gain leadership experience for National Honor Society, scholarships, college applications, and future resumes! Opportunities for leadership experience is plentiful. Membership is open to teens in grades 7 through 12. Perks include free printing and fine amnesty for active members, as well as first pick of any special volunteer

opportunities. Elections for officer positions are held regularly every fall. Stick around after each meeting for fun activities!

Teen Tech Tutors

Do you love technology? Our Teen Tech Tutors help adults with their technology questions every Tuesday after school. Earn community service hours by giving one-on-one lessons to adults who need help with iPads, Kindles, smartphones, and more.

Book Hipsters

Book Hipsters gather weekly to discuss anything they have read. Teen readers get to recommend books to their peers by writing reviews, recommendations, and top ten lists. Community service hours are earned for written reviews and other content created for the Library's Teen Blog and newsletter.

Teen Autism Ambassadors

Teen Autism Ambassadors help out at our new series of programs for teens on the autism spectrum. A training workshop for new volunteers is offered in September. Attendance is not required at every program, but you are encouraged to attend as many as possible. If you are patient and friendly and would love the chance to make a difference in the world, join us!

How Do I Start Volunteering?

Pick up a volunteer application at the Help Desk, or download one from our website. Every new volunteer under the age of 18 must also have a parent or guardian's signature on their application. Drop off your application to the Help Desk or email your completed copy to Dianne at daimone@rcls.org.
