

SUSAN HOPE FOGEL *LIBERTY LOOP*

A field of water betrays the spirit that is in the air. It is continually receiving new life and motion from above. It is intermediate between land and sky.

From Walden Pond, by Henry David Thoreau.

As an artist I am interested in painting from nature...Nature is the ultimate teacher. Although painting the physical aspects of nature one cannot deny the spiritual aspect that is present, as well.

In my work I most often am inspired by the quality of light that illuminates, and gives life, to whatever subject I am painting.
