

Albert Wisner Public Library
Request for Reconsideration of Library Materials

The Albert Wisner Public Library serves people from all walks of life with a variety of viewpoints and tastes, and we welcome your comments. Before completing this form, you may find it helpful to read the following summary of the Library's policy on library materials:

The Albert Wisner Public Library's professional staff chooses books and other materials to meet the informational, educational and recreational reading needs of the citizens of the community. The staff is guided by the Materials Selection Policy adopted by the Board of Trustees of the Library. The Trustees and staff support the belief that the right to read and the right to free access to library collections for persons of all ages are essential to the individual's freedom of thought, which is fundamental to democracy. The Trustees have also adopted the Library Bill of Rights, the Freedom to Read Statement and the Freedom to View Statement which represent the Library's interpretation of the First Amendment to the Constitution of the United States. In practice, this means that the Library will resist efforts to remove or censor materials.

For copies of the Materials Selection Policy, the Library Bill of Rights, the Freedom to Read or Freedom to View Statements, please ask a librarian or check the Library's website.

All forms must be signed. No form submitted anonymously or without a signature will be reviewed. The Library Director will respond in writing to your comments.
